

EDUCATIONAL ROLE OF LANGUAGE Framework

Brief-ly

our AIMS

emphasising the central position of language in education

bringing together educational and linguistic sciences

fostering language-oriented international and interdisciplinary cooperation

researching the man-language-reality relationship across cultures and disciplines

4 WAYS (PILLARS)

Do JOIN US if your interests combine language and pedagogy.

We welcome theoreticians & practitioners, university academics & school teachers, sociolinguists & psycholinguists, first language educators & L2/FL trainers, qualitative researchers & quantitative analysts, and others.

We strive to fulfil our aims through the following four initiatives:

ERL CONFERENCES

annual event (in June)

ERL NETWORK

smaller projects

ERL ASSOCIATION

bigger projects

ERL JOURNAL

ISSN 2657-9774

AREAS (SCOPE)

Our – scientific and didactic – activity is focused on the following twofold realm:

SCOPE MAJOR (content-oriented)

LANGUAGE and SCHOOL	LANGUAGE and CULTURE
LANGUAGE and METHODOLOGY	LANGUAGE and PERSONALITY

SCOPE MINOR (language-user oriented)
